WORK EXPERIENCE

scrum master 09/2018 – present
Bose, Purmerend & Boston, NL & US

Scrum master

- Ability to demonstrate a servant leadership style and lead by example
- Ability to engage and motivate teams toward a common goal
- Strong interpersonal, communication and collaboration skills
- Detail oriented and results driven
- Ability to challenge the status quo and enable new ways of working

Guided the team in their journey how to explore working concepts. Member of the agile practices guild. Organising comms across teams between US & NL.

scrum master 11/2017 – 08/2018
Backbase, Amsterdam, NL

A pioneer, a mentor, an expert, a magician, an apprentice and a guardian. Acted also in the roll of a delivery manager, delivering working software with 17+ teams. Member of the Agile Guild.

agile trainer 03/2015 – present
Global Project Performance, Utrecht, NL

Facilitates scrum training, agile project management courses and coaching companies.

scrum master 04/2016 – 10/2017
de Persgroep Employment Solutions, Amsterdam, NL

Scrum master servicing two scrum teams, (13 members). The teams operate almost independent and I could spend time in accompanying de Persgroep in their "road to agility".

scrum master / agile coach 03/2015 – 04/2016
Crédit Agricole, Amsterdam, NL

Scrum master of one out of five streams. The goal was to replace the core banking application. Halfway the assignment I coached the Network Infra Structure Team in prioritizing their work. Using KANBAN we improved the working processes.

scrum master 04/2013 – 04/2015
a.s.r., Amersfoort, NL

Biggest success: started with nine component

WORK EXPERIENCE

teams, ended up with four feature teams, still performing at the same delivery speed.

project manager 07/2007 – 01/2013
Parkmobile, Amsterdam & London, NL/UK

Implemented scrum as new framework. Fullfilled role as a coach / scrum master and product owner.

project manager 06/1988 – 06/2007
Vendex/KBB, Amsterdam, NL

Started as janitor. Ended as project manager.
